Information note:

Being registered in our database, you will receive support, service experts and European Federation of Bilateral Chambers of Commerce partners in areas under the statute in which it operates, namely: economic, travel, financial, diplomatic, investment, industrial, or promotion. Thus, it can provide and perform, or benefit of the activities stipulated in the statute. Costs for services rendered will be supported by the recipient as a member by paying a fee for the performance of investments and business contracts brokered. Also, we guarantee the seriousness and professionalism of our organization to the problems brought to us by you.
